CARTE POSTALE — POSTKARTE

The Bank of England, the centre of the world's financial business, was erected in 1788 after designs by Sir J. Soane, in a Corinthian style of architecture. **The Royal Exchange** is the third building on this site, the first two having been destroyed by fire. The present building, by Tite, was opened in 1844. **The Mansion House,** the official residence of the Lord Mayor of London, was erected in 1739-53, from designs by George Dance, the elder.
